MISSION STATEMENT

We, the parishioners of St. Paul, Onaway, open to the guidance of the Holy Spirit, are dedicated to preserve, live and proclaim the Good News brought by Jesus. As a sacramental people, we are committed to welcome all into Christ's presence among us.

From the Pastor's Desk

Dear Sisters and Brothers in Christ Jesus,

From "Sing To The Lord: Music in Divine Worship":

The Principle of Progressive Solemnity: 110. Music should be considered a normal and ordinary part of the Church's liturgical life. However, the use of music in the Liturgy is always governed by the principle of progressive solemnity. 111. Progressive solemnity means that "between the solemn, fuller form of liturgical celebration, in which everything that demands singing is in fact sung, and the simplest form, in which singing is not used, there can be various degrees according to the greater or lesser place allotted to singing."

113. Solemnities and feasts invite more solemnity. Certain musical selections are more capable of expressing this solemnity, adding an extraordinary richness to these special celebrations. Such solemnity should never be allowed to devolve to an empty display of ceremony, however. 87 The most solemn musical expressions retain their primary responsibility of engaging human hearts in the mystery of Christ that is being celebrated on a particular occasion by the Church. 114. At other times, the liturgical season calls for a certain musical restraint. In Advent, for example, musical instruments should be used with moderation and should not anticipate the full joy of the Nativity of the Lord. **In Lent, musical instruments should be used only to support the singing of the gathered assembly.** 88

199. Although it is not necessary to sing a recessional hymn, 165 when it is a custom, all may join in a hymn or song after the dismissal. When a closing song is used, the procession of ministers should be arranged in such a way that it finishes during the final stanza. At times, e.g., if there has been a song after Communion, it may be appropriate to choose an option other than congregational song for the recessional. **Other options include a choral or instrumental piece or, particularly during Lent, silence.**

As we enter the Season of Lent, we are called to enter a penitential attitude that forms and is formed by the Period of Purification and Enlightenment that our Catechumens are preparing for as they journey towards receiving the Sacraments of Initiation. We, the community of faith (the fully initiated) help form them, as they are a sign and witness to us of our own call to continuing conversion!!! We see a change in the Mass: no Gloria; Violet as the seasonal color; and more sacred silence and less music. We will be learning some new music for the Lenten season as well as leaving the celebration of the mass in silence (no Recessional Hymn). **I invite you to enter this time of longing for the promise of Easter, through the Paschal Mystery, the Passion of our Lord Jesus Christ!!!**

And remember,

You are Loved,
Father Patrick
